

# TURN COMPLEXITY INTO *CLEAR, CREDIBLE ACTION.*

Clarity Foundry helps universities, workforce organizations, and technology companies shape practical programs, partnerships, and opportunities at the intersection of emerging technology and talent.

## FOUNDER-LED BY DESIGN

### Work directly with Rory.

No handoffs. One strategic thread from discovery through the final action plan. Rory brings experience across education, business development, strategic partnerships, AI, and cybersecurity.

## CORE SERVICES

- 01 Strategy & Clarity**  
Positioning, narratives, roadmaps
- 02 Program Design**  
AI, cybersecurity, workforce
- 03 Opportunity Development**  
Partners, introductions, growth

## THE CLARITY FOUNDRY METHOD

- 01 FIND THE SIGNAL**  
Surface the real objective, hidden constraint, and opportunity worth advancing.
- 02 SHAPE THE PATH**  
Turn the opportunity into a focused proposition, decision, and practical plan.
- 03 CREATE MOMENTUM**  
Align the right people and establish the next accountable moves.

## SIGNATURE ENGAGEMENT

### CLARITY & OPPORTUNITY SPRINT

A focused engagement for a high-stakes AI, cybersecurity, workforce, or partnership initiative that needs sharper positioning and a practical path forward.
